TIM CLUE

THE UNLIKELY TEACHER

By 30, Tim had opened for Jerry Seinfeld and performed for a former President

But before he was an educator, speaker, comic, published playwright and father, Tim was an undiagnosed hyper-active dyslexic rug rat raised in a small rural town outside of Chicago. Tim's an award-winning professor and coach of two nationally recognized speech teams. And also became a national presence in comedy and corporate speaking, while being nominated for best new play of the year honors.

This educator, speaker, and writer wishes to reshape our nation's classrooms by creating better minds, students and citizens.

CERTIFIED DEVELOPMENT AND TRAINING VENDOR

Tim's used for Educational, Enrichment, Professional Training and Development, Team Building, Morale, Laughter, Retention and Celebration Services for Convocations and mid-year reboots nationwide.

When the science of learning pairs with the art of engagement, all potential is released.
